

## **Landscape Construction Supervisor**

Harder & Warner Landscaping, Inc. in Grand Rapids is seeing an experienced, knowledgeable foreman responsible for leading their crew in the construction and installation of new residential and commercial landscapes, hardscapes, paver patios, ponds/water features, retaining walls, etc. Must be able to manage work schedules, supervise crews in an efficient manner and maintain positive client relations. Candidate should have a Commercial Drivers License and a clean driving record. Position also requires experience with snow removal operations. Excellent wages and benefits. *This position typically begins at \$17-\$19/hour + depending on experience.*

**Preferred qualifications are 3-5+ years of experience with the following:**

- Experience with both residential and commercial installation projects
- Ability to efficiently operate skid loaders and trucks with trailers
- Installation of natural stone and paver patios
- Installation of trees, shrubs and perennials
- Installation of segmental and natural stone retaining walls
- Ability to read site plans
- Good leadership skills and initiative
- Ability to effectively communicate with clients & management
